

2026

Hello

Your Bellarine Springs Residents Association (BSRA) Committee extends a very warm welcome to you on moving into your new home, and to life in the Bellarine Springs Village Community.

Your Welcome Pack includes information regarding the Committee. As you browse through your Welcome Pack you will find it also contains useful information to smooth your transition into Village living.

The Village offers many and varied activities, groups, functions, entertainment options and special events for your interest and enjoyment. You are welcome to explore any of the Village activities; or you may prefer to enjoy Village life at a slower pace. The choice is yours.

We have included some local information pamphlets, as you may be unfamiliar with the beautiful Bellarine and all it has to offer.

We are happy to provide any assistance, if required to support you as you settle in.

Please phone your designated contact person for assistance, if required.

Once again, we welcome you to the Village community. We look forward to seeing you around the village.

Your Contact Person's Details:

Name: Gayle McNiece
